

Tooheys Brewery
Polution Incident Response Mangement Plan
Incident Contact Response and Community Contact Procedure (External)

Tooheys Brewery, Lidcombe has in place a Pollution Incident Response Management Plan as required by the *Protection of the Environment Legislation Amendment Act 2011* (POELA Act).

The brewery has an obligation to make available to the public our procedures for contacting the relevant authorities in the event of an incident in addition to procedures for contacting the community in the event of an incident that has the potential to impact neighbours.

Should a pollution incident that causes or threatens material harm to the environment occur, the authorities listed below are to be notified immediately by the **Department Leader of the employee who observed the incident.**

Name	Phone
Auburn Council (24 hrs)	02 9735 1222
Office of Environment & Heritage (OEH)	OEH's Pollution Line 131 555
Auburn Hospital & Community Health Services	Emergency – Triple Zero (000) Hospital - 02 8759 3000
Fire & Rescue NSW	Emergency - Triple Zero (000) Head Office Tel: 02 9265 2999
Auburn Police (24 hrs)	02 9646 8699
Work Cover	13 10 50

The same person, or a nominee, must also contact the site management team personnel.

The industrial processes used as part of the Tooheys Brewing Process involve the use of several Dangerous Goods including Ammonia refrigerant and Carbon Dioxide.

As part of our Pollution Response Management Plan all environmental aspects and impacts are evaluated on a scheduled basis with control measures put in place to moderate any residual risk – including that to our neighbours.

In the event of an Environmental Incident, internal procedures would ensure notification of the appropriate authorities listed above.

If an incident has the potential to impact our neighbours, Fire and Rescue NSW Personnel will take control of the situation to ensure that appropriate action is taken to prevent injury or impact.

Lion External Affairs would act as the public spokespeople for the site.

Ongoing communication after the event with impacted neighbours would occur via direct mail and/or postings on the Corporate Lion Website.
